PRODUCT DESCRIPTION

An affordable 24W LED Flood Light black series 4 in a traditional die-cast aluminium housing with tempered glass. The LED Flood Light is a perfect substitute for the conventional 300W halogen flood light awarding the user with up to 90% energy cost savings and extended lifetime benefits. There is 100% output the moment the light is switched on, no warm-up or strike delays. New driverless technology. Equivalent to the traditional 30W COB LED flood lights. Warm white, neutral white or cool white.

- **5 YEAR GUARANTEE**
- **LOCALLY MANUFACTURED**
- **SABS TESTING IN PROGRESS**
