20FL12DC

#### PRODUCT DESCRIPTION

An affordable 14W LED Flood Light black series 4 in a traditional die-cast aluminium housing with tempered glass. The LED Flood Light is a perfect substitute for the conventional 150W halogen flood light awarding the user with more than 90% energy savings and extended lifetime benefits. There is 100% output the moment the light is switched on, no warm-up or strike delays. The 14W series4 flood light has the same performance as the previous 20W series3 flood light.

- **5 YEAR GUARANTEE**
- **LOCALLY MANUFACTURED**
- **SABS TESTING IN PROGRESS**
